*Organizations' Application for Support*  
**Due: *By 5 p.m. on October 16th, 2018!***

The Buena Vista Optimist Club's primary function is to support youth activities in the Buena Vista, Colorado area. This support is available through the annual fundraising efforts by the BV Optimists; therefore, the most effective use of these funds is critical. There are many worthwhile youth oriented projects in the Buena Vista area and typically the annual requests for support exceed the available funding. The purpose of this form is to help the BV Optimists prioritize, both annually and ongoing, all the requests for funds to support the maximum number of youth in the area. If there are any questions about the form, please email the Optimist indicated below for clarification. All requests for funding will be reviewed for approval by the BV Optimist Board of Directors in October of the current year. Optimist's contact for this year: [Don.Caskey@centurylink.net](mailto:Don.Caskey@centurylink.net). **Form must be received by 5 p.m. on October 16th for consideration in the 2018-2019 school year.** Please mail completed form to the above address or attach the form in an email to Don Caskey.
